German Employment Law – What do executives need to know?
Online-Workshop

German Employment Law – What do executives need to know?

In this workshop, which takes place online via zoom, we will give you an overview of the most important rights and duties that you need to know as a manager with personnel responsibility in Germany and answer your questions.

An excerpt of our agenda:

- Directives, duty of care and supervision
- Working time and overtime
- Equal Treatment (anti-discrimination)
- Employee data protection
- Dealing with Low Performer and misconduct
- Facts to know in operations with a work council
